

Meal Plan Guide

Meal Plan Options

Your meal plan is your all-access pass to dining on campus. Dining on campus gives you the convenience of eating what and when you want, without leaving campus and losing your parking spot, shopping, or doing dishes. We offer cuisine to fit every preference, from allergy-friendly, to plant-based.

Undergrad students who live on campus are required to have a meal plan. Students who live off campus or commute are not required to have a plan, but may find it convenient and economical.
