HOW IT WORKS

MEAL PLAN USAGE

Meal Plans and Sodexo Bucks activate on orientation day, 8/20/2025 and remain valid until the end of final exams each semester. Meal Plans are accepted at all campus dining locations, including retail venues. They are non-transferable and must be used solely by the purchaser. Meal Plans may be upgraded at anytime, however downgrading your meal plan must be done within 10 days after the first day of campus orientation for the current semester.

DINING DOLLARS

Dining Dollars are better to use than credit cards, because when you use dining dollars to make a purchase at any dining location on campus, you will receive a 10% discount on the item you're purchasing. Dining Dollars, unlike Sodexo Bucks, roll over from semester to semester and are refundable by request. Dining Dollars will only expire three years from the date you graduate or leave the school. You can purchase Dining Dollars on our website or at the cash register in the Refueling Station.
