MEAL SWIPES

Meal Swipes are redeemed exclusively at Winslow Dining Hall. Each meal swipe allows one all-you-care-to-eat entry into the dining hall for one meal period. Each meal plan offers a set number of meals per week. The meal plan week resets Saturday morning. Unused meals do not carry forward week to week.

FLEX DOLLARS

Flex Dollars are used like cash at all Racer Dining locations including convenience stores and designated concession stands on campus. Flex dollar purchases are tax exempt except at concession stands. Additional Flex Dollars may be added at any time via the myGate money tab. Flex Dollars are valid only for the semester purchased. They are non-refundable and expire at the end of the semester. Balances remaining at the end of the Fall semester may carry forward to Spring if a qualifying Spring meal plan is purchased.

MEAL EXCHANGES

Meal Exchanges are included with all meal plans and allow a combo meal at designated retail locations in exchange for a Meal Swipe. Only one Meal Exchange is permitted per day, with weekly limits based on the meal plan. Participating locations include Chick-fil-A, Einstein Bros Bagels, Mein Bowl, Tres Habaneros, and Subconnection.

GUEST MEALS

Guest Meals are included with Racer Premium, Gold Access 19, and Blue Access 12. They allow the plan holder to bring a guest into Winslow Dining Hall during any normal meal period.

TO-GO MEALS

To-Go Meals are available in Winslow Dining Hall. One To-Go meal per day is allowed. Meals must be served in reusable OZZI containers only. Each plan holder receives one OZZI token at the beginning of Fall, which acts as a deposit. The container is exchanged and reissued upon return. Lost or extra tokens incur a \$5 charge.
