

MOUNTAINEER DINING HALL

SAVINGS

As a result of environmental initiatives taken at Mountaineer Dining Hall, we can save the following amounts of energy, water, waste, and money

191,600 kWh of Electricity

Equivalent to taking 28.6 passenger vehicles off the road for one year

118,920 Gallons of Water

Equivalent to the amount of water to fill 10.9 backyard swimming pools

90,560 Pounds of Waste

The annual amount diverted from landfills through our waste diversion program

\$4,890

The annual amount saved in energy and water bills
