CAN'T MAKE IT TO A MEAL?

THOMAS DINING HAS OPTIONS

Thomas COLLEGE Dining by Sodexo

A planned class, work shift, practice, game or other commitment doesn't have to mean missing a meal.

Two programs are available to help students plan ahead. Start with the option that best fits your schedule.

OPTION 1 • BAGGED LUNCH

PLAN A MEAL TO TAKE WITH YOU

Need a meal to take with you?

Any student may request a bagged lunch in advance for work, athletics, classes, travel or another need. Bagged meals are prepared for pickup so you can take your meal with you when your schedule keeps you away from the Dining Center.

HOW TO REQUEST

Visit the Thomas Dining website Campus Store and select **Bag Lunch Request at least 24 hours in advance.**

OPTION 2 • MISSED MEAL SWIPE

WHEN YOU'LL MISS DINNER

A Missed Meal Swipe is a prearranged accommodation for qualifying students with a legitimate scheduling conflict. It replaces the dinner you are unable to attend — it is not an additional meal, a late-night meal benefit, or an option simply because dinner was missed.

1. **Plan ahead**
   Visit the Thomas Dining website Campus Store to access the Missed Meal Swipe form. Enter your contact info and the date and time you need to use the meal swipe.
2. **Get approved**
   In the form, you will need to provide the reason for the missed meal (athletics practice, late class) and the name and email of the coach or professor related to the schedule conflict, so the request can be validated.
3. **Pick up at The Dog Pound**
   Bring your ID to the Dog Pound for the cashier to scan your card. Select your meal upon arrival. This program is only intended for times when The Dining Center is closed.

WHAT'S INCLUDED?

- The meal swipe includes either options from that evening's Savory line dinner menu, if still available, or the Dog Pound entrée line.
- The meal includes a fountain beverage.

Dining Services will work with individuals to provide a customized meal from the dinner menu whenever possible. Please inform your server of any food allergies or dietary requirements.

IMPORTANT TO KNOW

DINNER OR MEAL EXCHANGE — NOT BOTH.

If you swipe into the Dining Center for dinner, your Meal Exchange will **not** be available later that evening.
This applies to all meal plans, including Unlimited plans.

Meal Exchange must be approved in advance based on a qualifying need. Dining Services understands schedules can change and will work with students when unexpected circumstances arise.

SO, WHICH ONE SHOULD I CHOOSE?
