DINING SAFELY ON CAMPUS

WHAT IS SIMPLE SERVINGS?

Simple Servings is Sodexo's innovative solution to proactively address most of the ingredients that account for 90% of all food-allergy reactions: milk, eggs, wheat, soy, shellfish, peanuts, and tree nuts. Simple Servings also recognizes the current skyrocketing demand for gluten-free foods, which certain students may require out of medical necessity (celiac disease) or simply by choice. Simple Servings lunch and dinner menu change daily and include varied protein options: fish, beef, pork, chicken, and turkey. All side dishes are vegan, containing no milk, eggs, or meat products.
