DEFINITIONS KEY

Local: grown/manufactured in Vermont.
Regional: grown/manufactured in New England plus 50 miles.

Leanpath: technology used to weigh and track pre-consumer food waste.

Diverse-owned suppliers: Small/medium enterprise, minority or women-owned that we purchase from directly.

FEATURED COMMITMENTS

Our guarantee to purchase a predetermined volume of local or regional food at a set frequency (weekly, monthly).

COMMITMENT	DEFINITION	VALUE
Global Village Foods		1, 3
Harvest of the Month		1, 2
Just Cut		1
Local Beef Program		1
NE Organic Farm Partnership		1, 2
Pioneer Valley Growers		1
Vermont Bean Crafters		1, 2

OUR VALUES

1. Support Vermont's local economy through the creation of inclusive market opportunities.
2. Promote an environmentally sustainable food system through food purchasing and using foods for their highest and best purpose.
3. Create a racially equitable food system and remove racist structural barriers for economic opportunities.

2-NEW ENGLAND
VISION FOOD PRIZES

SCAN TO LEARN MORE

NE ORGANIC FAMILY
FARM PARTNERSHIP

We proudly signed onto the Northeast Organic Family Farm Partnership, committing to increasing purchasing of local, organic dairy products: yogurt from Butterworks Farm and Larson Farm & Creamery, and milk from Miller Farm.
